Winters in Mongolia can reach -40c and many families have little shelter, living in the traditional Mongolia Ger (yurt) or fragile wooden huts, with little to protect them from the freezing weather. The Christina Noble Children's Foundation has been

working in Mongolia since 1997, supporting children and families living in the most desperate poverty. Through a contact in this country, we are able to send boxes of much needed warm clothing so if anyone is able to provide knitted cardigans or jumpers, hats, scarves, new packets of underwear and good quality thick children's coats/boots/shoes we are able to get

them to Mongolia where they will be put to good use. In addition, if anyone has old cameras, binoculars or laptops we can sell these and raise money to fund the sending of these parcels to Mongolia. If you can help, please contact Miranda Marsh 07843 384016. We are going out to Mongolia again next summer so will be able to see first-hand how the gifts are welcomed there. Thank you!
